

PALMETTO YOUTH CENTER

THE TROJAN TIMES

A LETTER FROM THE EXECUTIVE DIRECTOR

My name is Chris Lukowiak, and I'm the Executive Director of the Palmetto Youth Center. Welcome to our newsletter, designed to keep you up-to-date with all of the activities and programs of the Center. This newsletter will tell you about special events, field trips, and remind you about important dates for registrations, yard sales, athletic events, and Center closings. Most importantly, however, this newsletter will let you know more about what your children are doing and learning while at the Palmetto Youth Center, and how you can reinforce those lessons and skills at home. This is an opportunity for us to brag about our cheerleaders and dance team, who won a title at a National Competition this year (see web blog for details), about our Football teams' season, and about the success of many of our youth. We will let you know about grants and fundraisers that bring money into the Center, to keep down the costs to our families. Look forward to hearing from you!

Our Programs

Palmetto Youth Center offers before & after school care for children ages 3-17 years. our monthly fees are the most affordable around. During our after school care we currently offer 4 programs to kids ranging from 3-17 years.

- 1.Foundation for Excellence (3-17yrs.)
